RIDING INSTRUCTION

Begin your child's lifelong love of horses, or fulfill your own dreams of becoming a rider

- Over 40 years experience instructing
- Family environment
- Western and English lessons with a focus on creating all-around riders
- Learning compassion, responsibility, and control of yourself as well as your horse
- Learn how to be safe around horses
- Private lessons
- Have fun

BOARDING

For patrons wishing to board their horses, Arrowhead Hills has 53 box stalls, cleaned daily. Please visit our website for current pricing on full and pasture boarding. Our farriers are on the premises weekly and veterinarian farm calls are made for regular check ups and as needed. Boarders have use of two outdoor arenas (100'x200') (90'x90'), two outdoor 50' round pens, and an indoor arena (50'x150"). Trails behind the ranch are available for our borders for trail riding.

Owners Reed and Marie reside on the premises, allowing for supervised youth riding. We provide transportation for your horse(s) to shows in which AHR participates.

TRAINING

Our training program is based on teaching horses to reach their individual, all-around potential through understanding and training rather than abuse and intimidation.

Our training program has proven itself through:

- Numerous show-ring wins, points earned High Point titles and National Honor Rolls top 5 placing
- Principles that allow horses to be all-around competitors, easily performing in multiple disciplines and events
- Practices that allow beginners and youth to ride safely, have fun and achieve success with their own horse—or ours
- Training that uses show horse precision to make safe and enjoyable trail horses
